

## I've Got Wheels

(My Girlfriend's Boyfriend, 2013)

It's 5:45 a.m. and I print out my ticket at the airport and bring it to the security lady. And she looks at it and says, "That ain't your gate. It's in another terminal. You gotta take a tram."

So I start walking with my roller suitcase. And I hear her say, "You better run!!"

Now I'm running and the roller suitcase does not enjoy running. The roller suitcase is like, "I don't want to run...I have wheels!!!"

I get to the tram. And it says how many minutes until the next tram arrives and it says, "Zero minutes." And I think, *Perfect!* But then the tram's riding away. And I'm like, "That's negative one minutes!!" So, I get on the next tram and I run to the gate and I'm sweaty and out of breath, but I'm on time. And I'm so relieved that I sit on a chair and I fall asleep. And I wake up to the sound of the door shutting. And I jump up and the door is closed and I am on the sad side of the door.
